Scott Paxton has settled in well in his role as **Head Coach at Great Missenden LTC**.

We are thrilled to report that Scott has also recently qualified as a Level 5 LTA Coach. Scott took his first tennis qualification at the age of 17 and has continued to develop his technical/tactical knowledge and skills through throughout his 14 years of full-time coaching. Scott has developed his own unique style of coaching which he adapts to fully support players of all ages and abilities. Scott has

been involved with coaching and training club, performance and u12 and u18 Hertfordshire County tennis players throughout his career. He also has a strong background for teaching in Primary Schools and Mini Tennis with a track record for producing u9 and u10 county players. Scott still has a strong passion for playing competitive doubles and takes any opportunity he can to play.

We must also say goodbye to **Tom Edis**, who has been part of Challenge Tennis for the last six years. Tom will be stepping down from his role as Head of Performance Tennis to explore new opportunities and spend more time with his young family at the end of December. We would like to thank Tom for all his effort, hard work and his contribution to making Challenge Tennis what it is today and wish him and his family the best of luck for the future.
