Which Contract or Package would you like? 4 for £40 - Futures Monthly GMLTC

When would you like to start? 03/09/2020

Coaching Plans (Direct Debit)  
Paying by direct debit is the easiest way to pay and guarantees your space in your chosen group indefinitely. There is no need to remember to re-enrol each term, as payments will be debited from your account on the 18th of each month meaning that costs are spread evenly throughout the year, making tennis coaching even more affordable.  
You will not be tied into a fixed term contract, if you decide to cancel your direct debit for any reason, we just ask for one months notice. Furthermore, if you need to change your regular session to a different day or time ongoing, we can simply swap you over without making any changes to your payment plan (space permitting).

### Event Schedule

Today Day Week 03/09/2020

#### Futures Red: Age 5-8 with Chris

Mon Date: 07/09/2020 - 14/12/2020 From: 16:00 - 17:00

Our Futures programme is designed specifically for those who are new to tennis and for those who want to come down and play in a great fun environment. Young players start with mini-tennis – a national scheme to get children into the game. Mini-tennis is carefully organised by age, and children play with coded coloured tennis balls on smaller courts. Under 8's play Red mini-tennis, ages 8/9 play Orange, and ages 9/10, Green. We organise mini-tennis sessions outside at our centers, in sports centers or even village halls. After players have progressed through the Mini tennis scheme players then go on to Junior tennis, played with a normal tennis ball and on a full size court.
